Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of an Official Communication issued in a corresponding Chinese Patent Application. For the Examiner's convenience, we have enclosed an English translation of the Chinese Official Communication from the corresponding Chinese Patent Application and a completed Form PTO-1449.

accordingly, submission of the same should not be taken as a binding admission by Applicant that the translation is accurate.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicant respectfully requests that the English translation of the Chinese Official Communication be made of record in the subject application.

Respectfully submitted,
